Each year, thousands of people from across the globe attend the NDSC Annual Convention to hear the latest information from world-renowned experts and enjoy time away to make new friends, enrich lives and renew spirits. **CRDSS is pleased to provide financial support for members of our community to attend.**

The NDSC Convention features experts on a variety of topics that affect individuals from all ages, stages, and roles of the Down syndrome community. In addition to the general conference, a Sibling Conference and Youth/Adult Conference are held simultaneously.

The Brownson family attended a few years back with support from CRDSS and they have written a wonderful [testimonial story \(here\)](#) you might enjoy.

CRDSS will help defray the cost of attending the event for members in our community. Individuals attending will be expected to share resources and knowledge with the CRDSS community upon return. Our hope is to provide our members with the up-to-date information and knowledge gleaned by our attendees. If you are interested, the links below provide more information as well as the application to apply for support. **Deadline: March 1st at 5PM.**
